Strategic Advising & Consultations

The *Right* Plan

You've never worked with The Storyteller and would like to find out more about what we can do for you in a tangible way? You'd like to get a roadmap to guide and plan your communication and marketing actions and stop wonder what should be your next move?

This solution will allow you to figure out your communication priorities and develop an Action Plan to guide you with the implementation process while giving you an opportunity to evaluate which areas would make sense to delegate.

Format:

- Questionnaire to be completed by the client
- 1st videoconference meeting to assess the situation, review past actions and establish priorities
- Preparation of a short Action Plan including an analysis, recommendations and key areas to prioritize
- 2nd and last meeting to go over the Action Plan, answer your questions and discuss next steps

Investment: \$500 + tax

If you're wondering if a series of consultations is a good option for you or if you don't know where to start, this Action Plan is the best solution to discover The Storyteller experience and bring you more clarity.
