Strategic Advising & Consultations

Need someone to brainstorm with or with whom to discuss your communication challenges as they emerge? Help to prepare an upcoming conference or interview? Sustainable marketing training for your staff? Or advice on a more accessible and better performing website?

Together, we'll identify your main preoccupations and will address them one at a time, whether through **brainstorming, coaching, strategic advising or co-creation.**

The 'Intensive' Package:

If there's a specific problematic you'd like to work on or a multi-phase project to develop for which you'd like ongoing support or advice, this is the best option.

Format: 1 meeting / week for 8 weeks with access through Voxer in-between meetings.

Investment: \$1,720 + tax

The 'Support' Package:

If you're the one in charge of communications or don't have any staff or resources to support you with marketing, this option provides you with an ally you can trust with whom to validate ideas, strategies and tools.

Format: 1 meeting / month for 12 months with access through Voxer in-between meetings.

Investment: \$3,600 + tax
